Prime Flow Down Clauses

W91CRB-17-D-0009

RTC Wide Engineering and Support Services (RWESS)

The following Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) clauses are prime contract "flow-down" clauses to any subcontract or purchase order. Lower-tier subcontracting is not allowed without prior ERC written approval. If ERC provides written approval, the Seller shall flow down the appropriate FAR and DFARS clauses in each lower-tier subcontract. At the Seller's written request, ERC, Incorporated will make available these clauses in full text. These clauses, incorporated herein by reference, are made part of any order with the same force and effect as if set forth in full text.

In the application of these clauses to the Seller, the term "Contracting Officer" shall be interpreted to mean the "ERC, Incorporated Subcontracts Administrator/Buyer" and/or the "ERC, Incorporated Contracting Official" signing the subcontract. The term "contract" shall be interpreted to mean "Purchase Order" or "Subcontract Agreement". The term "contractor" shall be interpreted to mean "Seller" or "Subcontractor". Exceptions to these definitions are where the specific application has clear legal reference to the "US Government" or to the government agency's "Contracting Officer." Any questions concerning interpretation should be referred to ERC, Incorporated Corporation.

For those clauses that require access to Subcontractor's proprietary data, the references to "Contracting Officer", "Contractor" and "Subcontractor" shall retain their original meanings.

Clause	Title	Date
52.202-1	Definitions	NOV 2013
